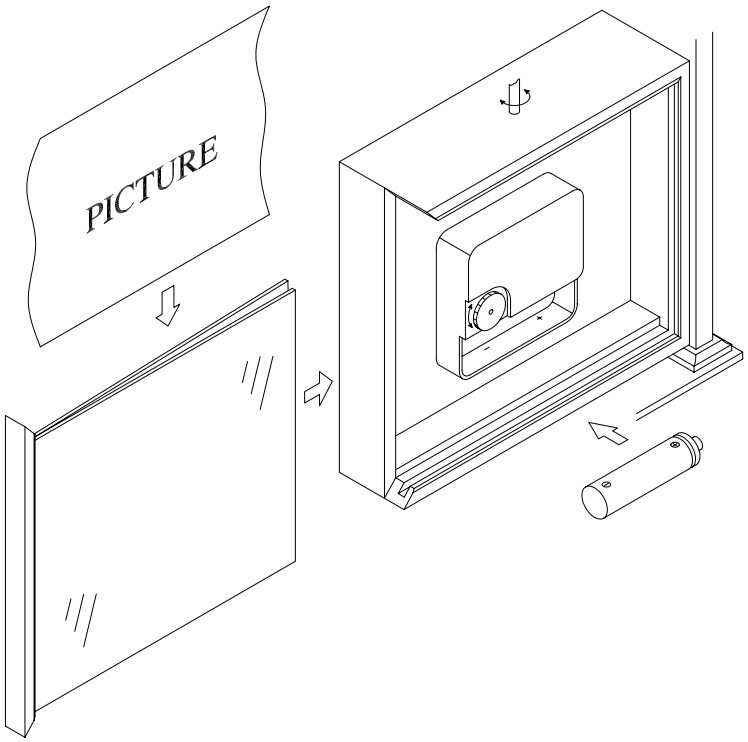
1856936
Enterprise Mantle Clock

Assembly instructions


1. Slide the back cover/ picture frame out of the clock housing.
2. Insert the battery (not included) into the mechanism.
3. Set the clock to the correct time by turning the dial on the back of the clock mechanism.
4. Carefully insert your picture into the back cover. Note: Do not separate the acrylic cover and the back of the frame.
5. Replace the back cover into the clock housing.
